

# "Building Bridges for a Bright Future"

## Volunteers Keep Us Connected!

Many programs at our school depend on volunteers. Most require only a few hours of commitment on your part; others are more extensive. Needs vary from on-site help during school hours to at-home time invested at your own pace. Grandparents and college-age siblings are welcome to help, too! Feel free to call Kathleen Combs, PTA President, at 249-4684 for more specific information about any listing below.

Please check the areas in which you can help.
